Report on the Celebration of Entrepreneurship Day

The **Entrepreneurship Day** was celebrated with great enthusiasm at **Government College for Women, Sampla** on **21st August 2025**, under the guidance of the Entrepreneurship Cell. The celebration aimed to foster entrepreneurial skills, innovative thinking, and awareness of career opportunities among students.

The program began with a **motivational address by Dr. Santosh Hooda, Principal of the college**, who encouraged students to dream big, take initiative, and develop confidence to become job creators rather than job seekers. Her inspiring words set the tone for the event.

The highlight of the celebration was a **motivational talk by renowned entrepreneur Mr. Himanshu Mittal**, who shared his success journey and emphasized the value of resilience, creativity, and risk-taking in entrepreneurship.

An **Idea Wall** was created where students actively displayed their innovative business concepts, reflecting creativity and a spirit of innovation.

This was followed by an **expert talk on career opportunities in the banking and manufacturing sectors by Mr. Amit**, who guided the students about industry demands, career prospects, and skills required for professional growth.

To engage students artistically, a **Poster Making Competition** on entrepreneurship was organized, in which students showcased their creativity and awareness about startups and innovation.

The event also included a **special talk on MSMEs (Micro, Small & Medium Enterprises) by Dr. Sangita, Associate Professor, Vaish College, Rohtak**. She explained the vital role of MSMEs in India's economy, government initiatives for young entrepreneurs, and the potential of this sector in empowering rural youth.

The celebration concluded on an inspiring note, leaving students motivated to think innovatively and explore entrepreneurial and career opportunities. Overall, the event was a grand success and proved to be highly beneficial for the students.
